and Technology Advancement

Call for applications to participate in the Department of Science and Innovation's National Youth Service Programme

Unemployed graduates (18-35 years of age) are invited to apply to join the 2020/21 intake for the Department of Science and Innovation's National Youth Service Programme. A total of 54 places is available at various Gauteng schools, mainly for science, technology, engineering and mathematics graduates.

The programme, which is part of the government-wide National Youth Service initiative, places selected volunteers at various institutions (e.g. schools, universities, science councils and NGOs) across the country, allowing them to gain workplace experience for 12 months while offering a service to the community.

Participating volunteers will be paid monthly stipends at the following scale:

NQF Level 6	National diploma	R4 500
NQF Level 7	Bachelor's degree/BTech	R5 000
NQF Level 8	Honours degree	R5 500
NQF Level 9	Master's degree	R6 500
NQF Level 10	PhD	R7 700

Volunteers are responsible for their own travel and relocation costs.

For detailed information on the participating institutions, duties, qualifications required, etc., visit www.saasta.ac.za. Click on "Projects" and then "National Youth Service Programme".

To apply, submit your completed application form, CV with contactable references and certified copies of your ID and qualifications. Applications should be sent to the participating schools.

Closing date: 18 March 2021

Correspondence will be entered into with shortlisted candidates only. If you have not been contacted within three months of the closing date, you should consider your applications unsuccessful.

Enquiries: Mr MacDonald Kapu, South African Agency for Science and Technology Advancement, at 012 392 9300, 067 201 7569 or Mahlaba@saasta.ac.za.
